

CITATION REPORT

List of articles citing

A functional polymorphism of toll-like receptor 4 is not associated with likelihood or severity of meningococcal disease

DOI: 10.1086/322798

Journal of Infectious Diseases, 2001, 184, 640-2.

Source: <https://exaly.com/paper-pdf/33283042/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
