

CITATION REPORT

List of articles citing

Gadd153 sensitizes cells to endoplasmic reticulum stress by down-regulating Bcl2 and perturbing the cellular redox state

DOI: 10.1128/mcb.21.4.1249-1259.2001

Molecular and Cellular Biology, 2001, 21, 1249-59.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
