

# CITATION REPORT

List of articles citing

Number and migratory activity of circulating endothelial progenitor cells inversely correlate with risk factors for coronary artery disease

DOI: 10.1161/hh1301.093953  
Circulation Research, 2001, 89, E1-7.

**Source:** <https://exaly.com/paper-pdf/33382965/citation-report.pdf>

**Version:** 2024-04-16

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
