

CITATION REPORT

List of articles citing

Treatment of erectile dysfunction with sildenafil citrate (Viagra) in parkinsonism due to Parkinson's disease or multiple system atrophy with observations on orthostatic hypotension

DOI: 10.1136/jnnp.71.3.371

Journal of Neurology, Neurosurgery and Psychiatry, 2001, 71, 371-4.

Version: 2024-04-11

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
