

# CITATION REPORT

List of articles citing

Sildenafil (Viagra)-induced spontaneous intracerebral haemo

DOI: 10.1080/02688690120072513

British Journal of Neurosurgery, 2001, 15, 347-9.

**Source:** <https://exaly.com/paper-pdf/33415521/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
