

CITATION REPORT

List of articles citing

Onchocerciasis: the clinical and epidemiological burden of skin disease in Africa

DOI: 10.1179/000349802125000826
Annals of Tropical Medicine and Parasitology, 2002,
96, 283-96.

Source: <https://exaly.com/paper-pdf/33713940/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
