List of articles citing

## Introduction to the Special Issue on Summarization

DOI: 10.1162/089120102762671927

Computational Linguistics, 2002, 28, 399-408.

**Source:** <https://exaly.com/paper-pdf/34117664/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
