

CITATION REPORT

List of articles citing

Hydroxychloroquine overdose: a prospective case series

DOI: 10.1053/ajem.2002.33775

American Journal of Emergency Medicine, 2002, 20, 377-8.

Source: <https://exaly.com/paper-pdf/34264722/citation-report.pdf>

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
