

CITATION REPORT

List of articles citing

Strength and ductility of ultrafine grained aluminum and iron produced by ARB and annealing

DOI: 10.1016/s1359-6462(02)00282-8
Scripta Materialia, 2002, 47, 893-899.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
