## CITATION REPORT List of articles citing

Simultaneous assay of sildenafil and desmethylsildenafil in human plasma using liquid chromatography-tandem mass spectrometry on silica column with aqueous-organic mobile phase

DOI: 10.1016/s1570-0232(01)00602-x Journal of Chromatography B: Analytical Technologies in the Biomedical and Life Sciences, 2002, 768, 277-84.

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
