

Three limit cycles for a three-dimensional Lotka-Volterra heteroclinic cycle

Computers and Mathematics With Applications

46, 231-238

DOI: [10.1016/s0898-1221\(03\)90027-7](https://doi.org/10.1016/s0898-1221(03)90027-7)
