

# CITATION REPORT

List of articles citing

Portal vein invasion and intrahepatic micrometastasis  
in small hepatocellular carcinoma by gross type

DOI: 10.1016/s1386-6346(03)00007-x  
Hepatology Research, 2003, 26, 142-147.

**Source:** <https://exaly.com/paper-pdf/35198976/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
