

# CITATION REPORT

List of articles citing

Decreased muscle strength and contents of Mg and Na,K-pumps in chronic alcoholics occur independently of liver cirrhosis

DOI: 10.1046/j.1365-2796.2003.01100.x

Journal of Internal Medicine, 2003, 253, 359-66.

**Source:** <https://exaly.com/paper-pdf/35226058/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
