

CITATION REPORT

List of articles citing

Botulinum toxin injection inhibits myogenic tone and sympathetic nerve function in the porcine internal anal sphincter

DOI: 10.1046/j.1463-1318.2003.00484.x
Colorectal Disease, 2003, 5, 552-7.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
