

The effect of neonatal BCG vaccination on atopy and asthma: a historical cohort study in a community with a very low tuberculosis infection and a high prevalence of atopic disease

Journal of Allergy and Clinical Immunology

111, 541-549

DOI: [10.1067/mai.2003.171](https://doi.org/10.1067/mai.2003.171)
