

CITATION REPORT

List of articles citing

Effects of the flavonoids biochanin A, morin, phloretin, and silymarin on P-glycoprotein-mediated transport

DOI: 10.1124/jpet.102.044412

Journal of Pharmacology and Experimental Therapeutics, 2003, 304, 1258-67.

Source: <https://exaly.com/paper-pdf/35573957/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
