## CITATION REPORT List of articles citing

Systemic lupus erythematosus-associated pulmonary hypertension: good outcome following sildenafil therapy

DOI: 10.1191/0961203303lu324cr Lupus, 2003, 12, 321-3.

Source: https://exaly.com/paper-pdf/35722386/citation-report.pdf

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
