

CITATION REPORT

List of articles citing

Myocardial cooling for reperfusion injury protection achieved by organ specific hypothermic autologous perfusion

DOI: 10.1080/14017430310014975

Scandinavian Cardiovascular Journal, 2003, 37, 297-303.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
