

# CITATION REPORT

List of articles citing

Polymorphisms in the insulin-degrading enzyme gene are associated with type 2 diabetes in men from the NHLBI Framingham Heart Study

DOI: 10.2337/diabetes.52.6.1562  
Diabetes, 2003, 52, 1562-7.

**Source:** <https://exaly.com/paper-pdf/35853106/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
