## CITATION REPORT List of articles citing

Prostate lymphoscintigraphy and radio-guided surgery for sentinel lymph node identification in prostate cancer. Technique and results of the first 350 cases

DOI: 10.1159/000070140 Urologia Internationalis, 2003, 70, 303-10.

Source: https://exaly.com/paper-pdf/35927443/citation-report.pdf

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
