

CITATION REPORT

List of articles citing

Effects of ribavirin on cytokine production of recall antigens and phytohemagglutinin-stimulated peripheral blood mononuclear cells. (Inhibitory effects of ribavirin on cytokine production)

DOI: 10.1016/s1665-2681(19)32102-7
Annals of Hepatology, 2004, 3, 104-7.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
