

Acute liver failure and the molecular adsorbents recirculation system in a tertiary care hospital in Mexico City

Annals of Hepatology

3, 164-166

DOI: [10.1016/s1665-2681\(19\)32096-4](https://doi.org/10.1016/s1665-2681(19)32096-4)
