

CITATION REPORT

List of articles citing

Liver and renal function tests in artisans occupationally exposed to lead in mechanic village in Nnewi, Nigeria

DOI: 10.3390/ijerph2004010021

International Journal of Environmental Research and Public Health, 2004, 1, 21-5.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
