List of articles citing

## Review of the quality of life and burden of illness in gastroesophageal reflux disease

DOI: 10.1159/000080308

Digestive Diseases, 2004, 22, 108-14.

**Source:** <https://exaly.com/paper-pdf/36599713/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
