

CITATION REPORT

List of articles citing

Erectile dysfunction in men with obstructive sleep apnea syndrome: a randomized study of the efficacy of sildenafil and continuous positive airway pressure

DOI: 10.1038/sj.ijir.3901219

International Journal of Impotence Research, 2004, 16, 256-60

Source: <https://exaly.com/paper-pdf/36814589/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
