

CITATION REPORT

List of articles citing

Comparative study on lipase-catalyzed transformation of soybean oil for biodiesel production with different acyl acceptors

DOI: 10.1016/j.molcatb.2004.04.004

Journal of Molecular Catalysis B: Enzymatic, 2004, 30, 125-129

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
