

# CITATION REPORT

List of articles citing

Effect on left ventricular function of intracoronary transplantation of autologous bone marrow mesenchymal stem cell in patients with acute myocardial infarction

DOI: 10.1016/j.amjcard.2004.03.034

American Journal of Cardiology, 2004, 94, 92-5.

**Source:** <https://exaly.com/paper-pdf/36885716/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
