

CITATION REPORT

List of articles citing

Increased resistance of crosslinked cornea against enzymatic digestion

DOI: 10.1080/02713680490513182

Current Eye Research, 2004, 29, 35-40.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
