

CITATION REPORT

List of articles citing

Non-union of femoral neck fractures with osteonecrosis of the femoral head: treatment with combined free vascularized fibular grafting and subtrochanteric valgus osteotomy

DOI: 10.1016/j.ocl.2004.02.008

Orthopedic Clinics of North America, 2004, 35, 335-43, ix.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
