

CITATION REPORT

List of articles citing

Role of a critical visceral adipose tissue threshold (CVATT) in metabolic syndrome: implications for controlling dietary carbohydrates: a review

DOI: 10.1186/1743-7075-1-12

Nutrition and Metabolism, 2004, 1, 12.

Source: <https://exaly.com/paper-pdf/37419351/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
