

CITATION REPORT

List of articles citing

Opioid therapy and immunosuppression: a review

DOI: 10.1097/01.mjt.0000132250.95650.85
American Journal of Therapeutics, 2004, 11, 354-65.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
331	The medical complications of heroin use. 2005 , 18, 257-63		10
330	The medical complications of heroin use. 2005 , 4, 346-352
