

# CITATION REPORT

List of articles citing

High intakes of milk, but not meat, increase s-insulin and insulin resistance in 8-year-old boys

DOI: 10.1038/sj.ejcn.1602086

European Journal of Clinical Nutrition, 2005, 59, 393-8.

**Source:** <https://exaly.com/paper-pdf/38216287/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
