

CITATION REPORT

List of articles citing

Biomarkers of oxidative stress study II: are oxidation products of lipids, proteins, and DNA markers of CCl₄ poison

DOI: 10.1016/j.freeradbiomed.2004.09.017

Free Radical Biology and Medicine, 2005, 38, 698-710.

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
