

# CITATION REPORT

List of articles citing

## Use of ionic liquids as green solvents for extractions

DOI: 10.1002/jctb.1333

Journal of Chemical Technology and Biotechnology,  
2005, 80, 1089-1096.

**Source:** <https://exaly.com/paper-pdf/38379174/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
