

# CITATION REPORT

List of articles citing

Use of bleach to eliminate contaminating DNA from the surface of bones and teeth

DOI: 10.1016/j.forsciint.2004.11.017

Forensic Science International, 2005, 154, 53-61.

**Source:** <https://exaly.com/paper-pdf/38438896/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
