

# The Glu298Asp variant of the endothelial nitric oxide synthase gene increases the risk for abruptio placentae in pre-eclampsia

Journal of Human Genetics

50, 415-419

DOI: [10.1007/s10038-005-0270-8](https://doi.org/10.1007/s10038-005-0270-8)
