

# CITATION REPORT

List of articles citing

## Effect of sildenafil citrate on the cardiovascular system

DOI: 10.1590/s0100-879x2005000900003

Brazilian Journal of Medical and Biological Research,  
2005, 38, 1303-11.

**Source:** <https://exaly.com/paper-pdf/38702966/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
