

CITATION REPORT

List of articles citing

Oral sildenafil for the treatment of Raynaud s phenomenon and digital ulcers secondary to systemic sclerosis

DOI: 10.1136/ard.2004.034488

Annals of the Rheumatic Diseases, 2005, 64, 1387.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
