

CITATION REPORT

List of articles citing

Emissions of Volatile Organic Compounds from Several Green and Non-Green Building Materials: A Comparison

DOI: 10.1177/1420326x05050504

Indoor and Built Environment, 2005, 14, 69-74.

Source: <https://exaly.com/paper-pdf/38906628/citation-report.pdf>

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
