

CITATION REPORT

List of articles citing

Case report: association of combined nonarteritic anterior ischemic optic neuropathy (NAION) and obstruction of cilioretinal artery with overdose of Viagra

DOI: 10.1089/jop.2005.21.315

**Journal of Ocular Pharmacology and Therapeutics,
2005, 21, 315-7.**

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
