

# CITATION REPORT

List of articles citing

Repetitive mechanical stretching modulates IL-1beta induced COX-2, MMP-1 expression, and PGE2 production in human patellar tendon fibroblasts

DOI: 10.1016/j.gene.2005.08.006  
Gene, 2005, 363, 166-72.

**Source:** <https://exaly.com/paper-pdf/39355234/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
