

# CITATION REPORT

List of articles citing

**Current controversies in oral lichen planus: report of an international consensus meeting. Part 1. Viral infections and etiopathogenesis**

DOI: 10.1016/j.tripleo.2004.06.077

Oral Surgery Oral Medicine Oral Pathology Oral Radiology and Endodontics, 2005, 100, 40-51.

**Source:** <https://exaly.com/paper-pdf/39389783/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
