

CITATION REPORT

List of articles citing

Fluoride in Drinking Water: A Review on the Status and Stress Effects

DOI: 10.1080/10643380600678112

Critical Reviews in Environmental Science and Technology, 2006, 36, 433-487.

Source: <https://exaly.com/paper-pdf/39514837/citation-report.pdf>

Version: 2024-04-03

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
