

# CITATION REPORT

List of articles citing

Endometrial receptivity markers, the journey to successful embryo implantation

DOI: 10.1093/humupd/dml004

Human Reproduction Update, 2006, 12, 731-46.

**Source:** <https://exaly.com/paper-pdf/39741693/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
