

CITATION REPORT

List of articles citing

Opioid prescriptions by U.S. primary care physicians
from 1992 to 2001

DOI: 10.1016/j.jpain.2005.11.006
Journal of Pain, 2006, 7, 225-35.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
184	Association of age with analgesic use for back and joint disorders in outpatient settings. 2006 , 4, 306-15		15
183	From the Literature. 2006 , 24, 45-46		1
182	Opioids for persistent noncancer pain. 2007 , 91, 177-97		13
181	Opioids for persistent noncancer pain. 2007 , 25, 787-807, vi-ii		7
180	Development and validation of a low-literacy opioid contract. <i>Journal of Pain</i> , 2007 , 8, 759-66	5.2	17
179	Overcoming fears, frustrations, and competing demands: an effective integration of pain medicine and primary care to treat complex pain patients. <i>Pain Medicine</i> , 2007 , 8, 544-5	2.8	13
178	Preference for analgesic treatment for cancer pain among African Americans. 2007 , 34, 136-47		33
177	Advancing the science of primary care pain medicine. <i>Pain Medicine</i> , 2008 , 9, 490-2	2.8	0
176	Primary care and health services section: an opportunity for pain medicine and primary care to come together. <i>Pain Medicine</i> , 2008 , 9, 487-9	2.8	1
175	Patient race and physicians' decisions to prescribe opioids for chronic low back pain. 2008 , 67, 1852-60		111
174	Pill-poppers and dopers: a comparison of non-medical prescription drug use and illicit/street drug use among college students. 2008 , 33, 934-41		39
173	Prevalence and characteristics of opioid use in the US adult population. <i>Pain</i> , 2008 , 138, 507-513	8	221
172	Trends in use of opioids by noncancer pain type 2000-2005 among Arkansas Medicaid and HealthCore enrollees: results from the TROUP study. <i>Journal of Pain</i> , 2008 , 9, 1026-35	5.2	73
171	Opioid-induced hyperalgesia in humans: molecular mechanisms and clinical considerations. <i>Clinical Journal of Pain</i> , 2008 , 24, 479-96	3.5	419
170	Molecular Basis and Clinical Implications of Opioid Tolerance and Opioid-Induced Hyperalgesia. 114-144		3
169	OPIOIDS ISSUES. 2009 , 408-421		
168	Trends in long-term opioid therapy for noncancer pain among persons with a history of depression. 2009 , 31, 564-70		155

167	Geographic variation in opioid prescribing for acute, work-related, low back pain and associated factors: a multilevel analysis. <i>American Journal of Industrial Medicine</i> , 2009 , 52, 162-71	2.7	59
166	LETTER TO THE EDITOR. <i>Journal of General Internal Medicine</i> , 2009 , 24, 1082-1082	4	78
165	Reduction in medication costs for patients with chronic nonmalignant pain completing a pain rehabilitation program: a prospective analysis of admission, discharge, and 6-month follow-up medication costs. <i>Pain Medicine</i> , 2009 , 10, 787-96	2.8	28
164	Opioid use in an Israeli health maintenance organization: 2000-2006. <i>Pain Medicine</i> , 2009 , 10, 702-7	2.8	13
163	Problems of quality and equity in pain management: exploring the role of biomedical culture. <i>Pain Medicine</i> , 2009 , 10, 1312-24	2.8	40
162	Understanding primary care physicians' treatment of chronic low back pain: the role of physician and practice factors. <i>Pain Medicine</i> , 2009 , 10, 1270-9	2.8	23
161	The effect of perceived racial discrimination on bodily pain among older African American men. <i>Pain Medicine</i> , 2009 , 10, 1341-52	2.8	79
160	Opioid therapy for nonspecific low back pain and the outcome of chronic work loss. <i>Pain</i> , 2009 , 142, 1948-51	8	82
159	Opioids for chronic pain in patients with substance abuse: too much, too little or just right?. <i>Pain</i> , 2009 , 145, 267-268	8	8
158	Analgesic prescribing for musculoskeletal complaints in the ambulatory care setting after the introduction and withdrawal of cyclooxygenase-2 inhibitors. 2009 , 90, 1147-51		13
157	Research gaps on use of opioids for chronic noncancer pain: findings from a review of the evidence for an American Pain Society and American Academy of Pain Medicine clinical practice guideline. <i>Journal of Pain</i> , 2009 , 10, 147-59	5.2	236
156	Clinical guidelines for the use of chronic opioid therapy in chronic noncancer pain. <i>Journal of Pain</i> , 2009 , 10, 113-30	5.2	1681
155	Lumbalgia y cefálea crónicas. ¿Usamos adecuadamente los opiáceos? ¿Cirugía de raquis o morfina en el paciente mayor?. 2009 , 16, 46-56		1
154	The effects of smoking status on opioid tapering among patients with chronic pain. <i>Anesthesia and Analgesia</i> , 2009 , 108, 308-15	3.9	66
153	Opioid use for chronic low back pain: A prospective, population-based study among injured workers in Washington state, 2002-2005. <i>Clinical Journal of Pain</i> , 2009 , 25, 743-51	3.5	112
152	Long-term safety and tolerability of fentanyl buccal tablet for the treatment of breakthrough pain in opioid-tolerant patients with chronic pain: an 18-month study. 2010 , 40, 747-60		29
151	The course of opioid prescribing for a new episode of disabling low back pain: opioid features and dose escalation. <i>Pain</i> , 2010 , 151, 22-29	8	40
150	Clinical characteristics of veterans prescribed high doses of opioid medications for chronic non-cancer pain. <i>Pain</i> , 2010 , 151, 625-632	8	137

149	Prevalence, practice patterns, and evidence for chronic neck pain. 2010 , 62, 1594-601		73
148	A practice guide for continuous opioid therapy for refractory daily headache: patient selection, physician requirements, and treatment monitoring. 2010 , 50, 1175-93		30
147	Age and sex trends in long-term opioid use in two large American health systems between 2000 and 2005. <i>Pain Medicine</i> , 2010 , 11, 248-56	2.8	44
146	Treatment of breakthrough pain with fentanyl buccal tablet in opioid-tolerant patients with chronic pain: appropriate patient selection and management. <i>Pain Medicine</i> , 2010 , 11, 1024-36	2.8	15
145	Pilot study of a preliminary criterion standard for prescription opioid misuse. 2010 , 19, 523-8		6
144	Prescribing of controlled medications to adolescents and young adults in the United States. 2010 , 126, 1108-16		170
143	The coordination of primary and oncology specialty care at the end of life. 2010 , 2010, 31-7		27
142	Race, ethnicity, and pain among the U.S. adult population. 2010 , 21, 177-220		202
141	Opioids and psychological issues: A practical, patient-centered approach to a risk evaluation and mitigation strategy. 2010 , 4, 261-267		3
140	Physician introduction to opioids for pain among patients with opioid dependence and depressive symptoms. 2010 , 39, 378-83		12
139	Predictors of long-term opioid use among patients with painful lumbar spine conditions. <i>Journal of Pain</i> , 2010 , 11, 44-52	5.2	53
138	Opioid pharmacotherapy for chronic non-cancer pain in the United States: a research guideline for developing an evidence-base. <i>Journal of Pain</i> , 2010 , 11, 807-29	5.2	124
137	Opioides en el dolor raquideo. Relaci3n riesgo/beneficio y estrategia apropiada para su utilizaci3n. 2010 , 17, 169-176		0
136	Major opioids in pain management. 2011 , 85-96		
135	Increasing frequency of opioid prescriptions for chronic abdominal pain in US outpatient clinics. 2011 , 9, 1078-85.e1		31
134	Substance use disorders and detoxification. 2011 , 184-192		
133	Effectiveness and safety of morphine sulfate extended-release capsules in patients with chronic, moderate-to-severe pain in a primary care setting. <i>Journal of Pain Research</i> , 2011 , 4, 373-84	2.9	9
132	Assessment and treatment of abuse risk in opioid prescribing for chronic pain. 2011 , 2011, 941808		42

131	Primary care monitoring of long-term opioid therapy among veterans with chronic pain. <i>Pain Medicine</i> , 2011 , 12, 740-6	2.8	35
130	A physician-driven solution--the Association for Medical Ethics, the Physician Payment Sunshine Act, and ethical challenges in pain medicine. <i>Pain Medicine</i> , 2011 , 12, 1361-75	2.8	6
129	Opioid analgesics and the risk of fractures in older adults with arthritis. 2011 , 59, 430-8		151
128	The Effect of Medical Authoritarianism on Physicians' Treatment Decisions and Attitudes Regarding Chronic Pain ^{1,*} . 2011 , 41, 1399-1420		7
127	Comparative mortality among Department of Veterans Affairs patients prescribed methadone or long-acting morphine for chronic pain. <i>Pain</i> , 2011 , 152, 1789-1795	8	32
126	Addressing racial healthcare disparities: how can we shift the focus from patients to providers?. <i>Journal of General Internal Medicine</i> , 2011 , 26, 828-30	4	26
125	Safe opioid prescribing: a long way to go. <i>Journal of General Internal Medicine</i> , 2011 , 26, 951-2	4	12
124	Identifying primary care skills and competencies in opioid risk management. 2011 , 31, 231-40		8
123	Pain management in primary care: strategies to mitigate opioid misuse, abuse, and diversion. 2011 , 123, 119-30		33
122	Opioid titration and conversion in patients receiving morphine sulfate and naltrexone hydrochloride extended release capsules. 2011 , 123, 155-64		6
121	Pain management and the primary care encounter: opportunities for quality improvement. <i>Journal of Primary Care and Community Health</i> , 2011 , 2, 37-44	2.1	4
