

# CITATION REPORT

List of articles citing

Fatty acid composition and estimated desaturase activities are associated with obesity and lifestyle variables in men and women

DOI: 10.1016/j.numecd.2005.06.001

Nutrition, Metabolism and Cardiovascular Diseases, 2006, 16, 128-36.

**Source:** <https://exaly.com/paper-pdf/39937774/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
