

# CITATION REPORT

List of articles citing

Platelet-rich fibrin (PRF): a second-generation platelet concentrate. Part III: leucocyte activation: a new feature for platelet concentrates?

DOI: 10.1016/j.tripleo.2005.07.010

Oral Surgery Oral Medicine Oral Pathology Oral Radiology and Endodontics, 2006, 101, e51-5.

**Source:** <https://exaly.com/paper-pdf/39946219/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
