

# CITATION REPORT

List of articles citing

**Bisphosphonate-related osteonecrosis of the jaw:  
background and guidelines for diagnosis, staging and management**

**DOI: 10.1016/j.tripleo.2006.06.004**

**Oral Surgery Oral Medicine Oral Pathology Oral  
Radiology and Endodontics, 2006, 102, 433-41.**

**Source:** <https://exaly.com/paper-pdf/39946508/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
