

# CITATION REPORT

List of articles citing

The economic burden of major adult visual disorders  
in the United States

DOI: 10.1001/archopht.124.12.1754  
JAMA Ophthalmology, 2006, 124, 1754-60.

**Source:** <https://exaly.com/paper-pdf/40251967/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
