

# CITATION REPORT

List of articles citing

The window and mechanisms of major age-related decline in the production of new neurons within the dentate gyrus of the hippocampus

DOI: 10.1111/j.1474-9726.2006.00243.x  
Aging Cell, 2006, 5, 545-58.

**Source:** <https://exaly.com/paper-pdf/40377446/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
